## WORK EXPERIENCE

### Founder & Director Habitat Engineering

10/2012 – Present

Marcianise, IT

### Sr. Structural Engineer Industry AMS

07/2016 – Present

Marcianise, IT

### Research Engineer

Second University of Naples - Department of Civil Engineering

01/2015 – 06/2016

Aversa, IT

### Research Assistant

University of California Berkeley - Pacific Earthquake Engineering Research Center

08/2014 – 12/2014

Berkeley, CA, US

### Structural Engineer

Luis Bozzo Estructuras y Proyectos

04/2014 – 08/2014

Barcelona, ES

### Civil Engineer

TecnoProgetti - Studio di Ingegneria

04/2013 – 09/2013

Marcianise, IT

### Engineering Intern

Pro.Ge.Ca srl

12/2011 – 03/2012

Capodrise, IT

### Structural Engineering Lab Technician

Second University of Naples

02/2011 – 05/2011

Aversa, IT

### Intern

Municipality of Caserta - Office of Municipal Planning

10/2009 – 01/2010

Caserta, IT

## MEMBERSHIP

Chartered Civil & Structural Engineer

Member of the Institute of Research Engineers and Doctors

## SKILLS

Structural Design

R&D

Research

Project Management

BIM

FE Modeling and Analysis

Analytical & Conceptual Thinking

## EDUCATION

### PhD in Environment, Design and Innovation

University of Campania Luigi Vanvitelli

2018 – Present

### II Level Masters Degree in Emerging Technologies for Construction

University of Naples Federico II

2014

Fall Semester 2014 at University of California Berkeley

### Master Degree in Civil Engineering

Second University of Naples

2012

### Bachelor Degree in Civil and Environmental Engineering

Second University of Naples

2010

### Diploma of Surveying and Construction Management

Technical High School I.T.C.G. Lener

## AWARDS

PhD Industry 4.0 Fellowship (2018)

Italian Ministry of Education, Universities and Research

Master Around Scholarship (2013)

Regione Campania

## LANGUAGES

Italian

English

Spanish
